1.0 Introduction

1.1 Purpose

This Preliminary First Supplemental Special Assessment Methodology Report (the "Preliminary First Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated September 9, 2022 and to provide a supplemental financing plan and a supplemental special assessment methodology for the Phase 1 portion of the Savanna Lakes Community Development District (the "District") located in unincorporated Lee County, Florida. This Preliminary First Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District.

1.2 Scope of the Preliminary First Supplemental Report

This Preliminary First Supplemental Report presents the projections for financing a portion of the District's Capital Improvement Plan described in the Engineer's Report for the Savanna Lakes Community Development District prepared by RWA, Inc. (the "District Engineer") dated September 9, 2022 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of a portion of the CIP.

1.3 Special Benefits and General Benefits

Public infrastructure improvements undertaken and funded by the District as part of the CIP create special benefits for properties within its borders and general benefits for properties outside of its borders and to the public at large. However, as discussed within this Preliminary First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's CIP enables properties within its boundaries to be developed.

There is no doubt that the general public and owners of property outside the District will benefit from the provision of the CIP. However, these benefits are only incidental since the CIP is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the CIP and do not depend upon the CIP to obtain or to maintain their

development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries.

The CIP will provide public infrastructure improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the CIP. Even though the exact value of the benefits provided by the CIP is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Preliminary First Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the CIP as determined by the District Engineer.

Section Four discusses the supplemental financing program for the District.

Section Five discusses the special assessment methodology for the Phase 1.

2.0 Development Program

2.1 Overview

The District serves the Savanna Lakes development (the "Development" or "Savanna Lakes"), a master planned residential development located in unincorporated Lee County, Florida. The land within the District consists of approximately 242.69 +/- acres and is generally located on the north side of Milwaukee Boulevard, approximately one half of a mile and one mile west of the intersection of Milwaukee Boulevard and Homestead Road South.

2.2 The Development Program

The development of Savanna Lakes is anticipated to be conducted by U.S. Home, LLC, a Delaware limited liability company, (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a

total of 669 residential units developed in two (2) or more phases, with the Phase 1 consisting of a total of 264 residential units and future phases consisting of a total of 405 residential units, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the land development plan within the District.

3.0 The CIP

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Capital Improvement Plan

The CIP needed to serve the Development is projected to consist of improvements which will serve all of the lands in the District. The CIP will include, without limitation, of storm water management system and earthwork, potable water distribution, sanitary sewer, reclaimed water systems, irrigation, landscaping, irrigation and hardscape in public right-of-way, off-site and turn lane improvements, differential cost of undergrounding electrical utility conduit. At the time of this writing, the total cost of the CIP, including design services, engineering services and contingency, is estimated to total approximately \$13,244,616.22.

Even though the installation of the improvements that comprise the CIP is projected to occur in multiple stages coinciding with phases of development within the District, the infrastructure improvements that comprise the CIP will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of the improvements will serve the entire District and the improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the CIP.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Special Assessment Bonds, Series 2023 (2023 Project) in the estimated principal amount of \$4,080,000* (the "Series 2023 Bonds") to fund an estimated \$3,650,275* in CIP costs to be expended serving and supporting the development of the Phase 1 units (the "2023 Project"), with the balance of the Phase 1 Project costs anticipated to be contributed by the Developer.

4.2 Types of Bonds Proposed

The proposed supplemental financing plan for the District provides for the issuance of the Series 2023 Bonds in the total estimated principal amount of \$4,080,000* to finance a portion of the 2023 Project costs in the total amount estimated at \$3,650,275*, representing the amount of construction proceeds generated from the issuance of the Series 2023 Bonds (such financed portion being referred to as the "Phase 1 Project Costs").

The Series 2023 Bonds as projected under this supplemental financing plan are structured to be amortized in 30 annual installments with interest payments on the Series 2023 Bonds made every May 1 and November 1, and annual principal payments on the Series 2023 Bonds made on either every May 1 or November 1.

In order to finance the Phase 1 Project Costs, the District will need to borrow more funds and incur indebtedness in the total amount estimated at \$4,080,000*. The difference is comprised of debt service reserve and costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2023 Bonds are presented in Table 3 in the *Appendix*.

* Preliminary, subject to change

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2023 Bonds will provide the District with funds necessary to construct/acquire a portion of the infrastructure improvements which are part of the CIP outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of the Phase 1 and general benefits accruing to areas outside the Phase 1 but being only incidental in nature. The debt incurred in financing the CIP will be secured by assessing assessable properties within the Phase 1 that derive special and peculiar benefits from the CIP. All assessable properties that receive special benefits from the CIP will be assessed for their fair share of the debt issued in order to finance all or a portion of the CIP.

5.2 Benefit Allocation

The most current development plan envisions the development of 669 residential units developed in two (2) or more phases, with the Phase 1 consisting of a total of 264 residential units and future phases consisting of a total of 405 residential units, although unit numbers and land use types may change throughout the development period.

The infrastructure improvements that comprise the CIP will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of the improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another. Notwithstanding the foregoing, the District reserves the right to create distinct assessment areas securing a series of Bonds issued to finance a portion of the CIP.

By allowing for the land in the District to be developable, both the improvements that comprise the CIP and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

Even though all of the infrastructure included in the CIP will comprise an interrelated system of master improvements, the public

infrastructure improvements are projected to be constructed in two (2) or more infrastructure construction phases or projects coinciding with the two (2) or more phases of land development. The 2023 Project consists of that portion of the overall CIP that is necessary for the development of land within Phase 1.

As stated previously, the public infrastructure improvements included in the CIP have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate the District's debt through the imposition of non-ad valorem assessments to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem special assessment amount levied for, the improvement or debt allocated to that parcel.

In following the Master Report, this Preliminary First Supplemental Report proposes to allocate the benefit associated with the CIP to the different unit types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within the District based on the relative density of development and the intensity of use of the infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units or units with a lower intensity of use will use and benefit from the District's improvements less than larger units or units with a higher intensity of use. For instance, generally and on average smaller units or units with lower intensity of use produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. Additionally, the value of the larger units or units with a higher intensity of use is likely to appreciate by more in terms of dollars than that of the smaller units or units with a lower intensity of use as a result of the implementation of the CIP. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of

the relative amount of benefit received by the different unit types from the District's improvements.

In order to facilitate the marketing of the residential units proposed to be developed within the Phase 1, the Developer requested that the District not sell bonds to fund the entire Series 2023 Project and instead limit the amounts of annual assessments for debt service on the Series 2023 Bonds to certain maximum levels. To that end, Table 5 in the *Appendix* illustrates the estimated share of the CIP attributable to the Phase 1 units based on the ERU method described above and illustrated in Table 4, costs of the Series 2023 Project that are projected to be financed with proceeds of the Series 2023 Bonds, and the approximate costs of the Series 2023 Project to be contributed by the Developer.

Lastly, Table 6 in the *Appendix* presents the apportionment of the special assessment associated with funding a portion of the Series 2023 Project with the Series 2023 Bonds (the "Series 2023 Bond Assessments") in accordance with the ERU benefit allocation method presented in Table 4 as modified by the effects of the Developer Contributions. Table 6 also presents the annual levels of the projected annual debt service per unit.

5.3 Assigning Bond Assessments

The land within the District has already been partially platted and of the projected 264 residential units projected to be developed as part of Phase 1, all 264 units have been platted. The Series 2023 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. Consequently, the 135 SF 40' and 129 SF 50' lots of the Phase 1 which have been platted will cumulatively be allocated an amount estimated at \$4,080,000*.

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

* Preliminary, subject to change

The public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The improvements which are part of the CIP make the land in the District developable and saleable and when implemented jointly as parts of the CIP, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2 initially* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the CIP by different unit types.

5.6 True-Up Mechanism

The assessment methodology described herein is based on conceptual information obtained from the Developer prior to construction. As development occurs it is possible that the number of ERUs may change. The mechanism for maintaining the methodology over the changes is referred to as true-up. Even though the land within the Phase 1 has already been platted, a re-platting may occur and this section governs what actions, if any, the District would undertake if a re-platting occurred.

This mechanism is to be utilized to ensure that the Series 2023 Bond Assessments on a per unit basis never exceed the initially allocated

Series 2023 Bond Assessments as illustrated in Table 6 in the *Appendix*. The Series 2023 Bond Assessments per unit preliminarily equal the figured in Table 6 and may change based on the final bond sizing or as a result of a change in unit types and/or number of units. If such changes occur, the methodology is applied to the land based on the number of and unit type within each and every parcel.

As the land is re-platted, the Series 2023 Bond Assessments are assigned to re-platted parcels based on the figures in Table 6 in the *Appendix*. If as a result of re-platting and re-apportionment of the Series 2023 Bond Assessments to the re-platted parcel of land, the Series 2023 Bond Assessments per unit for assessable land remain equal to the figures in Table 6 in the *Appendix*, then no true-up adjustment will be necessary.

If as a result of re-platting and re-apportionment of the Series 2023 Bond Assessments to the re-platted land, the Series 2023 Bond Assessments per unit equal less than the figures in Table 6 in the *Appendix* (either as a result of a larger number of units, different units or both), then the per unit Series 2023 Assessments for all parcels within the Phase 1 will be lowered if that state persists at the conclusion of platting of all land within Phase 1.

If, in contrast, a result of re-platting and re-apportionment of the Series 2023 Bond Assessments to the re-platted land, the Series 2023 Bond Assessments per unit equals more than the figures in Table 6 in the *Appendix* (either as a result of a smaller number of units, different units or both), then the difference in the Series 2023 Bond Assessments plus accrued interest will be collected from the owner of the property which re-platting caused the increase of Series 2023 Bond Assessments per unit to occur, in accordance with a true-up agreement to be entered into between the District and the Developer, which will be binding on assignees.

The owner(s) of the property will be required to immediately remit to the Trustee for redemption of a portion of the Series 2023 Bonds a true-up payment equal to the difference between the actual Series 2023 Bond Assessments per unit and the figures in Table 6 in the *Appendix* multiplied by the actual number of unit plus accrued interest to the next succeeding interest payment date on the es 2023 Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be paid to the following interest payment date.

5.7 Assessment Roll

Series 2023 Bond Assessments in the estimated amount of \$4,080,000*, plus interest and collection costs, are proposed to be levied over the area described in Exhibit “A”. Excluding any capitalized interest period, the Series 2023 Bond Assessments shall be paid in thirty (30) annual principal installments.

The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2023 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2023 Bonds issued does not exceed \$5,000,000; (iii) the interest rate on the 2023 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2023 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2023 Bonds, the first optional call date and the redemption price shall be determined

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its aggregate principal amount of \$(PAR) Savanna Lakes Community Development District Special Assessment Bonds, Series 2023 (2023 Project) (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$_____ (representing the \$(PAR).00 aggregate principal amount of the Bonds, [plus/less net original issue premium/discount] of \$_____ and less an underwriter’s discount of \$_____). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), and created by Ordinance No. 22-16 enacted by the Board of County Commissioners of the County on June 21, 2022 and became effective on June 27, 2022. The

Bonds are being issued by the District pursuant to the Act, Resolution No. 2022-27 and Resolution No. 2023-__ duly adopted by the Board on September 9, 2022 and January 13, 2023, respectively (collectively, the “Bond Resolution”), and secured pursuant to the provisions of a Master Trust Indenture, dated as of January 1, 2023 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2023 (the “First Supplemental Indenture” and, together with the Master Indenture, collectively the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). The Series 2023 Special Assessments comprising the Series 2023 Pledged Revenues for the Bonds have been levied by the District on those lands within the District specially benefited by the 2023 Project (as defined in the herein defined Preliminary Limited Offering Memorandum) pursuant to Resolution No. 2022-25, Resolution No. 2022-26, and Resolution No. 2023-02 of the District duly adopted on September 9, 2022, September 9, 2022, and October 21, 2022, respectively (collectively, the “Assessment Resolutions”).

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person

The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). Re: \$[PAR] Savanna Lakes Community Development District Special Assessment
Bonds, Series 2023 (2023 Project)

Dear Ladies and Gentlemen:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the Bonds, FMSbonds, Inc. (the “Underwriter”), pursuant to a Bond Purchase Contract dated [Pricing Date] (the “Bond Purchase Contract”), between the Underwriter and Savanna Lakes Community Development District (the “District”), furnishes the following disclosures to the District in connection with the limited offering and sale of the Bonds:

1. The total underwriting discount paid to the Underwriter pursuant to the Bond Purchase Contract for the Bonds is approximately \$_____ per \$1,000.00 or \$_____.
2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.
5. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Bonds to any person not regularly employed or retained by the Underwriter in connection with the Bonds is as follows: None. Squire Patton Boggs (US) LLP has been retained as counsel to the Underwriter and will be compensated by the District.

Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Bonds:

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing funds to: (i) pay the costs of acquiring and/or constructing a portion of the 2023 Project (as defined in the Preliminary Limited Offering Memorandum), (ii) fund the Series 2023 Reserve Account in an amount equal to the initial Series 2023 Reserve Requirement; (iii) fund interest on the Series 2023 Bonds through at least June 15, 2023; and (iv) pay the costs of issuance of the Bonds.

This debt or obligation is expected to be repaid over a period of approximately ____ years and ____ months. At a true interest cost rate of _____%, total interest paid over the life of the Bonds will be \$_____.

The source of repayment for the Bonds are the Series 2023 Special Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Bonds will result in approximately \$_____ (representing the average annual debt service payments due on the Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other capital projects of the District; provided however, that in the event that the Bonds were not issued, the District would not be entitled to impose and collect the Series 2023 Special Assessments in the amount of the principal of and interest to be paid on the Bonds.

Re: \$[PAR] Savanna Lakes Community Development District Special Assessment
Bonds, Series 2023 (2023 Project)

Ladies and Gentlemen:

We have acted as counsel to the Savanna Lakes Community Development District (the “District”), a local unit of special-purpose government existing under the laws of the State of Florida (the “State”), particularly Chapter 190, Florida Statutes, as amended (the “Act”) in connection with the authorization, issuance and sale of its Savanna Lakes Community Development District Special Assessment Bonds, Series 2023 (2023 Project) (the “Bonds”). In that capacity, we are familiar with matters relating to the preparation, execution and delivery of the Master Trust Indenture dated as of January 1, 2023 (the “Master Indenture”) as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2023 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indentures”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”).

The Bonds have been authorized and issued pursuant to the Act, the Florida Constitution and other applicable provisions of Florida law. The District was established by Ordinance No. 22-16 enacted by the Board of County Commissioners of Lee County, Florida, which was enacted on June 21, 2022 and effective on June 27, 2022 (the “Ordinance”). The District was established for the purposes, among other things, of financing and managing the planning, acquisition, construction, maintenance and operation of the major infrastructure within the boundaries governed by the District.

The Bonds are being issued pursuant to the Act, the Indentures and the Bond Resolution (as defined herein).

In our capacity as counsel to the District, we have examined Resolution No. 2022-27 and Resolution No. 2023-__ adopted by the Board of Supervisors of the District (the “Board”) on September 9, 2022 and January 13, 2023 (collectively, the “Bond Resolution”), Resolution Nos. 2022-25, 2022-26, and 2023-02, adopted by the District on September 9, 2022, September 9, 2022, and October 21, 2022, respectively (collectively, the “Assessment Resolutions”), the final Master Special Assessment Methodology Report dated September 9, 2022 and the Final Supplemental Special Assessment Methodology Report dated [Pricing Date] for the Bonds (collectively, the

“Assessment Methodology”), an opinion of counsel to the Trustee, an opinion of Bond Counsel, the Final Judgment Validating Bonds, certain certifications of the District Manager and such other documents as we have deemed necessary or appropriate in rendering the opinions set forth below. Additionally, we have examined the Continuing Disclosure Agreement by and among the District, Lennar Homes, LLC and Wrathell, Hunt and Associates, LLC, as dissemination agent, dated [Closing Date] (the “Continuing Disclosure Agreement”), the Bond Purchase Contract between the District and FMSbonds, Inc. dated [Pricing Date] (the “Bond Purchase Contract”), [the Collateral Assignment and Assumption of Development Rights Relating to Savanna Lakes (Series 2023 Bonds), the Completion Agreement (2023 Project), the True-Up Agreement (Series 2023 Bonds); and the Acquisition Agreement (Series 2023 Bonds), the Declaration of Consent to Jurisdiction of Savanna Lakes Community Development District and to Imposition of Debt Special Assessments (Series 2023 Bonds) executed by the Developer in recordable form and executed by the Developer dated as of the Closing Date][Confirm], are collectively referred to herein as the “Bond Agreements”.

With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase “to our knowledge,” the words “to our knowledge” signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

Based upon the foregoing and subject to the qualifications set forth below, we are of the opinion that:

1. Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government with such powers as set forth in the Act, with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Bond Purchase Contract, and the Limited Offering Memorandum dated [Pricing Date] for the Bonds (the “Limited Offering Memorandum”); (b) to issue the Bonds for the purpose for which they are issued; (c) to impose, levy and collect the applicable special assessments securing the Bonds (herein, the “Series 2023 Special Assessments”) and pledge the Series 2023 Pledged Revenues (as defined in the Indentures) to secure the Bonds as provided in the Indentures; (d) to adopt the Bond Resolution and the Assessment Resolutions; (e) to own and operate the 2023 Project; and (f) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolutions, the Bond Agreements, the Bonds and the Indentures;
2. The Bonds, Indentures, Bond Resolution, Assessment Resolutions, and the Bond Agreements have been duly authorized, executed and delivered by the District, are valid and binding upon the District and are enforceable against the District in accordance with their respective terms. The terms and provisions of the Indentures and the Bond Agreements are in full force and effect on the date hereof and compliance by the District therewith neither conflicts with, constitutes a default

under or results in a breach of the terms of any constitutional provision, law or, to our knowledge, any regulation, order, writ, injunction, decree of any court or governmental entity, any agreement or instrument to which the District is a party or results or will result in the creation or imposition of any encumbrance upon any of the properties or assets of the District other than those contemplated by the Indentures.

3. The proceedings by the District with respect to the Series 2023 Special Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Series 2023 Special Assessments. The Series 2023 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2023 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.
4. To the best of our knowledge, there is no litigation pending or threatened against the District (i) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Series 2023 Special Assessments or the Series 2023 Pledged Revenues pledged for the payment of the debt service on the Bonds; (ii) contesting or affecting the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indentures, the Bond Agreements or the transactions contemplated thereunder; (iii) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indentures or the Bond Agreements, or its power to collect and pledge the Series 2023 Pledged Revenues for the payment of the debt service on the Bonds; and (iv) specifically contesting the exclusion from federal gross income of interest on the Bonds.
5. As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity, required for the adoption of the Bond Resolution and the Assessment Resolutions and the execution and delivery of the Indentures, the Bonds, and the Bond Agreements and for the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.
6. The District has duly authorized the execution, delivery, use and distribution of the Limited Offering Memorandum and has duly authorized the delivery, use and distribution of the Preliminary Limited Offering Memorandum dated [PLOM Date] (the “Preliminary Limited Offering Memorandum” and, together with the Limited Offering Memorandum, the “Limited Offering Memoranda”).
7. To our knowledge, based upon our review of the Limited Offering Memoranda and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Limited Offering Memoranda, as of

the date hereof, nothing has come to our attention which would lead us to believe that the Limited Offering Memoranda when taken as a whole, contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading (except for the financial information and statistical data contained in the Limited Offering Memoranda or in the Appendices thereto, the information regarding DTC and its book-entry only system of registration, the information contained in the sections titled “DESCRIPTION OF THE SERIES 2023 BONDS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “TAX MATTERS,” “LITIGATION – The Developer,” “NO RATING,” “UNDERWRITING”, “MISCELLANEOUS,” or any Appendices thereto, all information related to the tax-exempt status of the Bonds, or those matters contained in opinions of Bond Counsel, as to all of which no opinion is expressed).

8. The Bonds have been validated by a final judgment of the Circuit Court in and for Lee County, Florida, of which no timely appeal was filed.
9. To the best of our knowledge, all conditions precedent to the issuance of the Bonds to be performed by the District, as prescribed in the applicable Indentures and the Bond Purchase Contract, have been fulfilled.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

In rendering all of the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings. We have also assumed the due authorization, execution and delivery of each document by each of the other parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

The opinions or statements expressed above are based solely on the laws of Florida. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government, any other state or other jurisdiction. We express no opinion and make no representations with regard to taxes, assessments or other financial information or statistical data

Very truly yours,

Ladies and Gentlemen:

We are counsel to Lennar Homes, LLC limited liability company (the “Developer”), which is the Developer of the lands within the hereinafter defined District to be developed into a development known as “Orange Blossom Ranch” (the “Development”). This opinion is being rendered in connection with the issuance by the Savanna Lakes Community Development District (the “District”) of \$[PAR] aggregate principal amount of Savanna Lakes Community Development District Special Assessment Bonds, Series 2023 (2023 Project) (the “Series 2023 Bonds”) as described in the District’s Preliminary Limited Offering Memorandum dated [PLOM Date], including the appendices attached thereto (collectively, the “Preliminary Limited Offering Memorandum”) and the Limited Offering Memorandum, dated [Pricing Date], including the appendices attached thereto (collectively, the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Series 2023 Bonds are being issued to, among other things, finance the cost of the acquisition, construction, equipping and installation of certain infrastructure improvements, as more fully described in the Limited Offering Memoranda (the “Project”). Unless otherwise defined herein, capitalized terms used herein have the respective meanings assigned to such terms in the Bond Purchase Contract, dated [Pricing Date] (the “Contract”), between the District and FMSbonds, Inc. (the “Underwriter”), or in the Indenture, as applicable.

In our capacity as counsel to the Developer, we are aware of the Limited Offering Memoranda. We have examined the [Declaration of Consent to Jurisdiction of the Savanna Lakes Community Development District and to Imposition of Special Assessments and Lien of Record (Series 2023 Bonds) by the Developer dated [Closing Date], the Completion Agreement (2023 Project), dated [Closing Date], by and between the District and the Developer, the Collateral Assignment and Assumption of Development Rights Relating to Orange Blossom Ranch (Series 2023 Bonds) by and between the District and the Developer dated [Closing Date] in recordable form, the Acquisition Agreement (2023 Project) by and between the District and the Developer dated [Closing Date], the True-Up Agreement (Series 2023 Bonds) by and among the District and

In rendering this opinion, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the legal capacity of all natural persons. As to any fact relevant to this opinion, we have relied solely upon representations of the Developer; except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts.

We are of the opinion that:

3. The Developer Documents have been duly authorized, executed and delivered by the Developer and the Developer Documents are valid and binding obligations of the Developer, enforceable against the Developer in accordance with their respective terms.
4. The execution, delivery and performance of the Developer Documents by the Developer do not violate (i) the Developer’s operating agreement, (ii) to the best of our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to us to which the Developer is a party or by which Developer’s assets are or may be bound; or (iii) to the best of our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.
5. There is no litigation pending or, to the best of our knowledge after due inquiry, threatened which (i) would prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memoranda and the Engineer’s Report annexed thereto as Appendix C, or (ii) may result in any material adverse change in the respective business, properties, assets or financial condition of the Developer.
6. The Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of our knowledge, the Developer has not indicated their consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

7. The Developer has reviewed and approved the Developer Documents and the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT” and “THE DEVELOPER” and with respect to the Developer and the Development (as such terms are used in the Limited Offering Memoranda) under the captions “BONDHOLDERS’ RISKS,” “LITIGATION – The Developer” and “CONTINUING DISCLOSURE” and warrants and represents that such information does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. 8. The Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2023 Bonds or the Development.

The opinions regarding enforceability of the Developer Documents that are contained in paragraph 3 above are limited by: (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and transfer, and similar law affecting the rights of creditors’ generally; and (ii) general principles of equity, regardless of whether such enforceability is considered in a proceeding at law or in equity.

As District Manager, nothing has come to our attention that would lead us to believe that the Limited Offering Memoranda, as they relate to the District, the 2023 Project, or any information provided by us, and the Assessment Methodology, as of their respective dates and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

5. The information set forth in the Limited Offering Memoranda under the subcaptions “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Assessment Methodology / Projected Level of District Assessments”, “THE DISTRICT,” “ASSESSMENT METHODOLOGY,” “FINANCIAL INFORMATION,” “LITIGATION – The District,” “DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS,” “CONTINUING DISCLOSURE,” “CONTINGENT FEES,” and in “APPENDIX D – ASSESSMENT METHODOLOGY” did not as of the respective dates of the Limited Offering Memoranda and does not as of the date hereof contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The Assessment Methodology and the assessment methodology set forth therein were prepared in accordance with all applicable provisions of Florida law. As described in more detail in the Assessment Methodology, the benefit to the assessable lands within the District from the 2023 Project equals or exceeds the Series 2023 Special Assessments, and the Series 2023 Special Assessments are fairly and reasonably allocated across all benefitted properties within the District.

7. As District Manager for the District, we are not aware of any litigation pending or, to the best of our knowledge, threatened against the District restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, or the existence or powers of the District.

8. The Series 2023 Special Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Series 2023 Special Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

PRELIMINARY LIMITED OFFERING MEMORANDUM DATED _____, 2023

NEW ISSUE - BOOK-ENTRY ONLY
LIMITED OFFERING

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer (as such terms are hereinafter defined) and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2023 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and, further, interest on the Series 2023 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2023 Bonds. Bond Counsel is further of the opinion that the Series 2023 Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

SPECIAL ASSESSMENT BONDS, SERIES 2023
(2023 PROJECT)

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Savanna Lakes Community Development District (the “District” or “Issuer”) of its \$4,080,000* Special Assessment Bonds, Series 2023 (2023 Project) (the “Series 2023 Bonds”).

THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and created by Ordinance No. 22-16 enacted by the Board of County Commissioners of Lee County, Florida (the “County”) on June 21, 2022 and became effective on June 27, 2022. The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as defined in the herein defined Indenture), and has previously determined to undertake the acquisition and/or construction of certain public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 242.69+/- gross acres of land located entirely within an unincorporated area of the County. The District is planned to contain a residential community known as “[Savanna Lakes]” and referred to herein as the “Development.” Land development associated with the Development will occur in phases. Phase one is planned for approximate 264 lots on approximately ____+/- gross acres of land (“Phase One”). Phase two is planned for approximately 405 lots on approximately ____+/- gross acres of land (“Phase Two”). The Series 2023 Bonds are payable from and secured solely by the Series 2023 Pledged Revenues, which consist primarily of the Series 2023 Special Assessments (as hereinafter defined). The Series 2023 Special Assessments will at issuance be levied on the 264 platted lots within Phase One. The District anticipates issuing additional bonds in the future in order to finance that portion of the Capital Improvement Plan (as hereinafter defined) associated with Phase Two.

* Preliminary, subject to change.

Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land securing the Series 2023 Bonds. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS” herein.

Lennar Homes, LLC, a Florida limited liability company (the “Developer”), is the developer, homebuilder and owner of the assessable lands within the Development. See “THE DEVELOPER” herein for more information.

The Series 2023 Bonds are being issued by the District pursuant to the Act, Resolution No. 2022-27 and Resolution No. 2023-__ adopted by the Board of Supervisors of the District (the “Board”) on September 9, 2022 and January 13, 2023, respectively (collectively, the “Bond Resolution”), and a Master Trust Indenture, dated as of January 1, 2023 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2023 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” herein.

Proceeds of the Series 2023 Bonds will be used to provide funds (i) for the payment of the Costs of acquiring and/or constructing a portion of the 2023 Project (as hereinafter defined); (ii) to fund the Series 2023 Reserve Account in an amount equal to the initial Series 2023 Reserve Requirement (as hereinafter defined); (iii) to fund interest on the Series 2023 Bonds through at least June 15, 2023; and (iv) to pay the costs of issuance of the Series 2023 Bonds. See “THE CAPITAL IMPROVEMENT PLAN AND THE 2023 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. “Series 2023 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the 2023 Project, the Development, the Developer, a description of the terms of the Series 2023 Bonds and summaries of certain terms of the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and the Act, and all references to the Series 2023 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Optional Redemption. The Series 2023 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20__ (less than all Series 2023 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2023 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2023 Optional Redemption Subaccount of the Series 2023 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

Mandatory Sinking Fund Redemption. The Series 2023 Bonds maturing on June 15, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2023 Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption or purchase of the Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account (taking into account the credit from the Series 2023 Reserve Account pursuant to the provisions of the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2023 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2023 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2023 Rebate Fund, the Series 2023 Costs of Issuance Account and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account not otherwise reserved to complete the 2023 Project (including any amounts

transferred from the Series 2023 Reserve Account) all of which have been transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2023 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. The District shall, when it is directing the Trustee to provide such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send the notice pursuant to the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2023 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2023 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2023 Sinking Fund Account to the purchase of Series 2023 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series 2023 Series Sinking Fund Account representing the principal amount of the Series 2023 Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series 2023 Interest Account of the Debt Service Fund.

Book-Entry Only System

The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2023 Bond certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A

of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2023 Bond documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. “Series 2023 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS” herein.

The “Series 2023 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the 2023 Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such in the Assessment Methodology (as defined herein). The Assessment Methodology, which describes the methodology for allocating the Series 2023 Special Assessments to the assessable lands within the District is included as APPENDIX D hereto. The Series 2023 Special Assessments will be levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Special Assessments will constitute a lien against the land as to which the Series 2023 Special Assessments are imposed. The Series 2023 Bonds will be secured by the Series 2023 Special Assessments which at issuance will be levied on the 264 platted lots within Phase One. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

[Remainder of page intentionally left blank.]

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2023 Special Assessments will at issuance be levied on the 264 platted lots within Phase One. The Series 2023 Special Assessments will be allocated on a per unit basis as set forth below and in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2023 Special Assessments Per Unit*</u>
Single-Family 40’	135	\$[1,000]
Single-Family 50’	<u>129</u>	[1,250]
Total	264	

*Preliminary, subject to change. This amount is grossed up to include \$2.50 per parcel collection fee from the County Tax Collector and an early collection discount allowance estimated at 4%.

The District will levy assessments on residential units in the Development to cover its operation and maintenance costs that will be approximately \$____ per residential unit annually; which amount is subject to change. In addition, residents within the Development will be required to pay homeowners association fees [and an amenity fee] which are currently estimated to be \$____ [and \$____] per month per unit, respectively. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2022 was approximately 11.9678 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure to the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. “Substantially Absorbed” means the date at least [75]% of the principal portion of the Series 2023 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District shall provide the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed.

Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders.

The District, subject to the next two preceding paragraphs, and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2023 Special Assessments without the consent of the Owners of the Series 2023 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2023 Special Assessments, on the same lands upon which the Series 2023 Special Assessments are imposed, to fund the maintenance and operation of the District. See “BONDOWNERS’ RISKS” and “THE DEVELOPMENT – Taxes, Fees and Assessments” herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” herein for more information.

Series 2023 Reserve Account

The Indenture establishes a Series 2023 Reserve Account within the Debt Service Reserve Fund for the Series 2023 Bonds. The Series 2023 Reserve Account will, at the time of delivery of the Series 2023 Bonds, be funded from a portion of the net proceeds of the Series 2023 Bonds in an amount equal to the Series 2023 Reserve Requirement. “Series 2023 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2023 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2023 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2023 Bonds. “Release Condition” shall mean all of the following: (a) all of the principal portion of the Series 2023 Special Assessments has been assigned to residential units that have been constructed and have been sold and closed with homebuyers; and (b) no Event of Default under the Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture. If a portion of the Series 2023 Bonds are redeemed, other than by mandatory sinking fund redemptions, the Series 2023 Reserve Account will be reduced to fifty percent (50%) of the maximum annual debt service of the Series 2023 Bonds after taking into account such extraordinary mandatory redemption (prior to the satisfaction of the Release Conditions) or ten percent (10%) (after satisfaction). Any amount in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds, be used to pay principal of and interest on the Series 2023 Bonds at that time. The initial Series 2023 Reserve Requirement shall be equal to \$_____.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Acquisition and Construction Account and after the Completion Date to the Series 2023 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023

Bonds to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments (as a result of non-payment of the Series 2023 Special Assessments) and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2023 Reserve Account shall be transferred by the Trustee to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account and pay such amount deposited in the Series 2023 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the First Supplemental Indenture submitted to the District by the Developer within thirty (30) days of such transfer which such requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2023 Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2023 Reserve Requirement, the Trustee shall without further direction reduce the Series 2023 Reserve Requirement to ten percent (10%) upon satisfaction of Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2023 Bonds as calculated by the District Manager. The excess amount in the Series 2023 Reserve Account as a result of satisfactions of the Release Conditions shall be transferred to the Series 2023 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2023 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20__, to the Series 2023 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the June 15, which is a principal payment date for any Series 2023 Bonds, to the Series 2023 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2023 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2023 Reserve Account to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2023 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Accounts and subaccount in the Debt Service Fund, any Account and subaccount within the Bond Redemption Fund and the Series 2023 Reserve Account only in Government Obligations and securities described in subparagraphs (a), (c), (e), (f), or (j) of the definition of Investment Securities pursuant to the Indenture. Except to the extent otherwise provided in the First Supplemental Indenture, the Trustee shall, as directed by the District in writing, invest moneys held in the Series 2023 Reserve Account in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2023 Revenue Account except that prior to the Completion Date, amounts on deposit in the Series 2023 Reserve Account in excess of the Reserve Requirement caused by investment earnings shall be transferred into the Series 2023 Acquisition and Construction Account, and after the Completion Date to the Series 2023 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. Absent specific instructions or absent standing instructions from the District for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the preceding sentence. The Trustee may make any investments permitted by the provisions of this paragraph through its own bond department or investment department. The Trustee shall value the assets in each of the Funds and Accounts forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date) and shall provide the District a report of the status of each Fund and Account as of the valuation date. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” hereto.

Covenant to Levy the Series 2023 Special Assessments

The District will covenant to levy the Series 2023 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2023 Bonds when due. If any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. In case such second Series 2023 Special

Assessment shall be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

Prepayment of Series 2023 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof (if not collected pursuant to the Uniform Method, as herein described), or as a result of a true-up payment, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2023 Special Assessments owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2023 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with the First Supplemental Indenture and the resulting redemption of the Series 2023 Bonds in accordance with the First Supplemental Indenture, the excess amount shall be transferred from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account as a credit against the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the District upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2023 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2023 Bonds, there will be sufficient Series 2023 Pledged Revenues to pay the principal and interest, when due, on all Series 2023 Bonds that will remain Outstanding.

Pursuant to the Act, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the 2023 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2023 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the owner of all of the property within the District, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2023 Bonds.

Any prepayment of Series 2023 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2023 Bonds as indicated under “DESCRIPTION OF THE SERIES 2023 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2023 Special Assessments does not entitle the owner of the property to a discount for early payment.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly

affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2023 Special Assessments relating to the Series 2023 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an “Event of Default” under the Indenture, with respect to the Series 2023 Bonds:

(a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2023 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Outstanding Series 2023 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2023 Special Assessments are levied to secure the Series 2023 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2023 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2023 Bonds pursuant to the Indenture shall occur unless all of the Series 2023 Bonds where an Event of Default has

occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2023 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2023 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2023 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2023 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law and the applicable provisions of the Indenture.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2023 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2023 Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2023 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2023 Bonds which shall have become due in the order of their due dates, with interest on such Series 2023 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2023 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2023 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the collection of Series 2023 Special Assessments imposed on the assessable lands within the District specially benefited by the 2023 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D – ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2023 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lee County Tax Collector (“Tax Collector”) or the Lee County Property Appraiser (“Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect the Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2023 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds.

For the Series 2023 Special Assessments to be valid, the Series 2023 Special Assessments must meet two requirements: (1) the benefit from the 2023 Project to the lands subject to the Series 2023 Special Assessments must exceed or equal the amount of the Series 2023 Special Assessments; and (2) the Series 2023 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The certificate of the Methodology Consultant, to be delivered at closing of the Series 2023 Bonds, will certify that these requirements have been met with respect to the Series 2023 Special Assessments. In the event that the Series 2023 Special Assessments are levied based on the assumptions that future contributions will be made, the Series 2023 Special Assessments may need to be reallocated in the event such contributions are not made.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2023 Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped properties owned by the Developer and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2023 Special Assessments and will enforce that bill through foreclosure proceedings. See “Assessment Methodology” and “APPENDIX D: ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2023 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a

description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, *Florida Statutes*, provides that the Series 2023 Special Assessments constitute a lien on the real property within the District co-equal with all State, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property other than certain federal tax liens, until paid, and that the Series 2023 Special Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2023 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2023 SPECIAL ASSESSMENTS WILL SECURE THE SERIES 2023 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2023 SPECIAL ASSESSMENTS ARE PLEDGED TO THE SERIES 2023 BONDS, THE LIEN OF THE SERIES 2023 SPECIAL ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFOR OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

Collection and Enforcement of Assessments; Uniform Method Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, the Series 2023 Special Assessments levied on platted lots and pledged to secure the Series 2023 Bonds shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, *Florida Statutes*, (the “Uniform Method”) unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2023 Bonds. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2023 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2023 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, *Florida Statutes*. Partial payments made pursuant to Sections 197.374 and 197.222, *Florida Statutes*, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2023 Special Assessments to not be

collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court (the "Clerk"), the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which

they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2023 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS.”

Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, Series 2023 Special Assessments levied on unplatted lots or lands and pledged to secure the Series 2023 Bonds shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (discussed hereinbelow), in each case unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2023 Bonds. A proportionate amount of Series 2023 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2023 Special Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2023 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2023 Special Assessments. See “BONDOWNERS’ RISKS.”

Certain mortgage lenders have, in recent foreclosure initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community

development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

1. As of the date hereof, the Developer own all of the lands within Phase One, which are the lands that will be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by the Developer and subsequent landowners in Phase One. See "THE DEVELOPER" herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner being able to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time lots are platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series

2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2023 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2023 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2023 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2023 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2023 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.

3. The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

4. The development of the 2023 Project is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," and "– Environmental" herein for more information. Moreover, the Developer has the right to modify or change the plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. See "BONDOWNERS' RISKS – No. 20" herein.

6. Neither the Developer nor any other subsequent landowner within Phase One has any obligation to pay the Series 2023 Special Assessments. As described in paragraph 2 above, the Series 2023 Special Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2023 Special Assessment and the recourse for the failure of the Developer or any other landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments or fees by property and home owner associations.

8. The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2023 Bonds. The Series 2023 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2023 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2023 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners” herein. If the District has difficulty in collecting the Series 2023 Special Assessments, the Series 2023 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account.

10. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental”, the Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the environmental site assessments. Nevertheless, it is possible

that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.

11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments if the Series 2023 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2023 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2023 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2023 Special Assessment even though the landowner is not contesting the amount Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that

did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the Developer. Currently, all members of the Board of the District are employees of, or affiliated with, the Developer and none were elected by qualified electors or resident landowners. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum of 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination

or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. See also “TAX MATTERS.”

16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2023 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2023 Project. The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District covenants not to issue any other Bonds or debt obligations secured by any other Special Assessments on assessable lands within the District that are subject to the Series 2023 Special Assessments unless the Series 2023 Special Assessments have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured

by Special Assessments levied within the District, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without any consent such Special Assessments are levied on any lands within the District which are not subject to the Series 2023 Special Assessments. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations” for more information. The Developer will enter into a completion agreement with the District with respect to any unfinished portions of the 2023 Project not funded with the proceeds of the Series 2023 Bonds. The Developer will execute and deliver to the District a collateral assignment agreement, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the 2023 Project. Notwithstanding such collateral assignment agreement, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of the Developer’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2023 Project. All such obligations of the Developer are unsecured obligations. See “THE CAPITAL IMPROVEMENT PLAN AND THE 2023 PROJECT” and “THE DEVELOPMENT” herein for more information.

17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

18. In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.

20. In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale of residential units therein may be adversely impacted by the spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. Although it is unclear at this time what, if any, potential impacts COVID-19 may have on the Development, it is possible that construction delays, supply chain delays, delays in the receipt of permits or other government approvals or other delays could occur as a result of COVID-19 that adversely impact the Development. Further, while the effects of COVID-19 may be temporary, it may alter the future behavior of businesses and people in a manner that could have negative impacts on global and local economies, which could adversely impact the completion of the Development and/or the successful construction and sale of homes in the Development.

21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2023 Special Assessments by owners of the property within the Development. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See “DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act and created by Ordinance No. 22-16 enacted by the Board of County Commissioners of the County on June 21, 2022 and effective on June 27, 2022, pursuant to the provisions of the Act. The boundaries of the District include approximately 242.69+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of the County.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the “Board”), which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of

votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Scott Edwards*	Chairperson	November 2026
Barry Ernst*	Vice-Chairperson	November 2026
Thomas Dean*	Assistant Secretary	November 2024
Fernanda Martinho*	Assistant Secretary	November 2024
Dalton Drake*	Assistant Secretary	November 2024

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt and Associates, LLC, Boca Raton, Florida, to serve as its district manager (“District Manager”). The District Manager’s office is located at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; RWA, Inc., Ft. Myers, Florida, as District Engineer; and Coleman, Yovanovich & Koester, P.A., Naples, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2023 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

THE CAPITAL IMPROVEMENT PLAN AND THE 2023 PROJECT

RWA, Inc. (the “District Engineer”) prepared a report entitled Master Engineer’s Report dated September 9, 2022, as supplemented by a First Supplemental Engineer’s Report, dated _____, 2023, as may be amended and supplemented from time to time (collectively, the “Engineer’s Report”). The Engineer’s Report sets forth certain public infrastructure improvements necessary for the development of 669 residential units planned for the Development (the “Capital Improvement Plan”). The District Engineer, in the Engineer’s Report, estimates the total cost of the Capital Improvement Plan to be approximately \$13,244,616.22.

Land development associated with the Development will occur in phases. Phase one is planned for approximate 264 lots on approximately ____ +/- gross acres of land (“Phase One”). Phase two is planned for approximately 405 lots on approximately ____ +/- gross acres of land (“Phase Two”).

The Series 2023 Bonds will finance that portion of the Capital Improvement Plan associated with Phase One estimated to be approximately \$_____ (the “2023 Project”), as more particularly described below.

<u>2023 Project Description</u>	<u>Estimated Costs</u>

Land Development associated with Phase One commenced in _____ 20__ and is substantially complete, with final completion expected by _____ 20__. A final plat for Phase One was recorded in July 2022. As of the date hereof, the Developer has spent approximately \$_____ million towards land development activity associated with Phase One, a portion of which includes the 2023 Project.

The net proceeds of the Series 2023 Bonds to be deposited into the Series 2023 Acquisition and Construction Account will be approximately \$3.65 million* and such proceeds will be used by the District towards the construction and/or acquisition of a portion of the 2023 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2023 Project not funded with proceeds of the Series 2023 Bonds. See “BONDOWNERS’ RISKS No. 16” herein.

The District anticipates issuing additional bonds in the future in order to finance that portion of the Capital Improvement Plan associated with Phase Two. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land securing the Series 2023 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations” herein for more information.

* Preliminary, subject to change.

The District Engineer has indicated that all permits necessary to construct the 2023 Project have either been obtained or are reasonably expected to be obtained in the ordinary course. The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the Developer nor any other party is guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments.

THE DEVELOPMENT

The boundaries of the District include approximately 242.69+/- gross acres of land located entirely within an unincorporated area of Lee County, Florida (the “County”). The District is planned to contain a 669 unit residential community known as “[Savanna Lakes]” and referred to herein as the “Development.” The Development is located on the north side of Milwaukee Boulevard at the intersection of Milwaukee Boulevard and Homestead Road South, just south of the Majestic Golf Club. The Development is in close proximity to State Road 82 which provides convenient access to Interstate-75, a major transportation artery along the Florida Gulf Coast. The Southwest Florida International Airport is located approximately 15 miles to the west of the Development.

Land development associated with the Development will occur in phases. Phase One is planned for approximate 264 lots on approximately ____ +/- gross acres of land. Phase Two is planned for approximately 405 lots on approximately ____ +/- gross acres of land.

The District is issuing the Series 2023 Bonds in order to finance the 2023 Project. The Series 2023 Bonds will be secured by the Series 2023 Special Assessments which at issuance will be levied on the 264 platted lots within Phase One. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein for more information. The District anticipates issuing additional bonds in the future in order to finance that portion of the Capital Improvement Plan associated with Phase Two. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land securing the Series 2023 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations” herein for more information.

Lennar Homes, LLC, a Florida limited liability company (the “Developer”), is the developer, homebuilder and owner of the assessable lands within the Development. See “THE DEVELOPER” herein for more information.

The Development will be developed in two phases and is planned to contain 669 residential units, consisting of (i) 135 single-family detached homes on 40’ wide lots and (ii) 534 single-family detached homes on 50’ wide lots. Phase One is planned to contain 264 residential units, consisting of (i) 135 single-family detached homes on 40’ wide lots and (ii) 129 single-family detached homes on 50’ wide lots. Phase Two is planned to contain 405 single-family detached homes on 50’ wide lots. See “- Residential Product Offerings” below for expected square footage and starting price points per unit and target customers.

Land Acquisition and Finance Plan

The Developer acquired title to the District Lands on _____ 20__ for approximately \$_____ million, which was purchased with Developer equity. There are currently no mortgages on the lands within the Development.

The total land development costs associated with Phase One are expected to be approximately \$_____ million, consisting of the costs of the 2023 Project and other hard and soft costs. As of the date hereof, the Developer has spent approximately \$_____ million toward land development activity associated with Phase One, a portion of which includes the 2023 Project. The net proceeds of the Series 2023 Bonds will be \$3.65 million* deposited into the Series 2023 Acquisition and Construction Account to fund a portion of the 2023 Project and any additional moneys needed to complete the Development will be paid for by the Developer. See “BONDOWNERS’ RISKS – No. 16” herein.

Development Plan / Status

Land development for Phase One commenced in _____ 20__ and is substantially complete, with final completion expected by _____ 20__, at which point sales and vertical construction will commence. A final plat for Phase One was recorded in July 2022.

It is expected that approximately _____ homes will be delivered to end users per annum, commencing in the _____ calendar quarter of 20__ until buildout, which is expected by _____ 20__. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The target customers for units within the Development are first time homebuyers and move-up buyers. Below is a summary of the expected types of units and starting price ranges for units in the Development.

The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2022 was approximately 11.9678 mills, which millage rate is subject to change

in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. Competition

The following communities have been identified by the Developer as being competitive with the Development because of their proximity to the Development, price ranges and product types: Timber Creek, Verdana Village, and River Hall.

This heading does not purport to list all the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

THE DEVELOPER

Lennar Homes, LLC, a Florida limited liability company, is an indirectly wholly-owned subsidiary of Lennar Corporation (“Lennar”). Lennar, founded in 1954, has homebuilding operations in fifteen states and is one of the nation’s leading builders of quality homes for all generations, building affordable, first-time, move-up and retirement homes. Lennar stock trades on the New York Stock Exchange under the symbol LEN. Lennar is subject to the informational requirements of the Securities and Exchange Commission Act of 1934, as amended (the “Exchange Act”), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the “SEC”). Such filings, particularly Lennar’s annual and quarterly reports filed on Form 10-K and Form 10-Q, set forth certain data relative to the consolidated results of operations and financial position of Lennar and their subsidiaries as of such date. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Lennar. The address of such Internet web site is www.sec.gov.

All documents subsequently filed by Lennar pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in such manner as the SEC prescribes. Lennar is not guaranteeing any of the Developer’s obligations incurred in connection with the issuance of the Series 2023 Bonds.

NEITHER THE DEVELOPER NOR LENNAR CORPORATION ARE GUARANTEEING THE PAYMENT OF THE SERIES 2023 BONDS OR THE SERIES 2023 SPECIAL ASSESSMENTS. NONE OF THE ENTITIES LISTED HEREIN, OTHER THAN THE DEVELOPER, HAVE ENTERED INTO ANY AGREEMENTS IN CONNECTION WITH THE ISSUANCE OF THE SERIES 2023 BONDS.

ASSESSMENT METHODOLOGY

The Master Special Assessment Methodology Report dated September 9, 2022 (the “Master Methodology”), as supplemented by the Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2023 Bonds (the “Supplemental Methodology” and, together with the Master Methodology, the “Assessment Methodology”), describes the methodology for allocation of the Series 2023 Special Assessments to lands within the District, has been prepared by Wrathell, Hunt and Associates, LLC, Boca Raton, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2023 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2023 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

To ensure that each residential lot in the Development is assessed no more than its pro-rata amount of special assessments, the Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per equivalent residential unit (“ERU”) remaining on the unplatted or replatted land is never allowed to increase above its maximum debt per ERU level. If the debt per ERU remaining on unplatted or replatted land increases above the maximum debt per ERU level, a debt reduction payment would be made by the Developer so that the maximum debt per ERU level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2023 Bonds. The Developer is expected to enter into a true-up agreement in connection with their obligations to pay true-up payments in the event that the debt per ERU remaining on unplatted or replatted land increases above the maximum debt per ERU level. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2023 Bonds in order that the interest on the Series 2023 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2023 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2023 Bonds is excludable from gross income of the holders thereof for federal income tax purposes and, further, interest on the Series 2023 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2023 Bonds and the

interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the status of interest on the Series 2023 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District and the Developer to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2023 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2023 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2023 Bonds, or the ownership or disposition of the Series 2023 Bonds. Prospective purchasers of Series 2023 Bonds should be aware that the ownership of Series 2023 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2023 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2023 Bonds, (iii) the inclusion of the interest on the Series 2023 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2023 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2023 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2023 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2023 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2023 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2023 Bonds (“Discount Bonds”) may be offered and sold to the public at an original issue discount (“OID”). OID is the excess of the stated redemption price at maturity (the principal amount) over the “issue price” of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner’s gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner’s tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds (“Premium Bonds”) may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner’s tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2023 Bonds, adversely affect the market price or marketability of the Series 2023 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations.

Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2023 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2023 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2023 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2023 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2023 Bonds and proceeds from the sale of Series 2023 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2023 Bonds. This withholding generally applies if the owner of Series 2023 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2023 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the 2023 Project subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2023 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2023 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2023 Bonds does not purchase at least \$100,000 of the Series 2023 Bonds at the time of initial delivery of the Series 2023 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2023 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2023 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2023 Bonds, or in any way contesting or affecting (i) the validity of the Series 2023 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2023 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2023 Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2023 Special Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter’s counsel) and the Trustee (who has retained Trustee’s Counsel), with respect to the authorization, sale, execution and delivery of the Series 2023 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2023 Bonds.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by RWA, Inc., Ft. Myers, Florida. The consent of RWA, Inc. for the use of the Engineer's Report herein has not been sought as the Engineer's Report is a publicly available document. The District recently engaged RWA, Inc. as the new engineer for the District, who has adopted the Engineer's Report. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt and Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2023 Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audited financial statements of the District for the Fiscal Year ending September 30, 2023.

Beginning October 1, 2015, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds), respectively, to provide

certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the “Reports”) through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in “APPENDIX E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.” Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2023 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Developer will covenant to provide certain financial information and operating data relating to the District and the Developer, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. The Developer has represented and warranted that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. See “APPENDIX E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.”

(the “Underwriter”) has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2023 Bonds from the District at a purchase price of \$_____ (representing the par amount of the Series 2023 Bonds, [plus] [less] [net] original issue [premium] [discount] of \$_____ and less an Underwriter’s discount of \$_____). The Underwriter’s obligations are subject to certain conditions precedent and upon satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Series 2023 Bonds if any are purchased.

The Series 2023 Bonds to be issued pursuant to the Indenture were validated by final judgment of the Circuit Court of the Twentieth Judicial Circuit of Florida in and for the County, rendered on December 20, 2022. The period of time for appeal of the judgment of validation of the Series 2023 Bonds has expired with no appeals being taken.

The Issuer shall, or shall cause the Dissemination Agent to, provide to the Repository the components of an Annual Report which satisfies the requirements of Section 4(a) of this Disclosure Agreement within thirty (30) days after same becomes available, but in no event later than the Annual Filing Date or Audited Financial Statements Filing Date, if applicable. If the Issuer’s Fiscal Year changes, the Issuer shall give notice of such change in the same manner as for a Listed Event under Section 6.

(b) If on the fifteenth (15th) day prior to each Annual Filing Date or the Audited Financial Statements Filing Date, as applicable, the Dissemination Agent has not received a copy of the Annual Report or Audited Financial Statements, as applicable, the Dissemination Agent shall contact the Disclosure Representative by telephone and in writing (which may be via email) to remind the Issuer of its undertaking to provide the Annual Report or Audited Financial Statements, as applicable, pursuant to Section 3(a). (c) If the Dissemination Agent has not received an Annual Report by 12:00 noon on the first (1st) Business Day following the Annual Filing Date for the Annual Report or

the Audited Financial Statements by 12:00 noon on the first (1st) Business Day following the Audited Financial Statements Filing Date for the Audited Financial Statements, then a Listed Event as described in Section 6(a)(xvii) shall have occurred and the Issuer irrevocably directs the Dissemination Agent to immediately send a notice to the Repository in substantially the form attached as Exhibit A.

(d) The Dissemination Agent shall:

(i) determine each year prior to the Annual Filing Date the name, address and filing requirements of the Repository; and

(ii) promptly upon fulfilling its obligations under subsection (a) above, file a notice with the Issuer stating that the Annual Report or Audited Financial Statement has been provided pursuant to this Disclosure Agreement, stating the date(s) it was provided, and listing all Repositories with which it was filed.

(iv) If available, the amount of tax certificates sold, if any, and the balance, if any, remaining for sale from the most recent Fiscal Year.

(v) All fund balances in all Funds and Accounts for the Bonds. In addition, the Issuer shall provide any Bondholder with this information no more frequently than annually within thirty (30) days of the written request of the Bondholder.

(vi) The total amount of Bonds Outstanding.

(vii) The amount of principal and interest to be paid on the Bonds in the current Fiscal Year.

(viii) The most recent Audited Financial Statements of the Issuer.

(ix) To the extent available, the certified tax roll for the current Fiscal Year (certified in the prior Fiscal Year) that contains the folio numbers, the Assessments to be levied in the then current Fiscal Year (both debt assessments and operation and maintenance assessments broken out separately), the assessed value associated with each folio, and the total assessed value for all of the land within the District.

(b) In the event of any amendment or waiver of a provision of this Disclosure Agreement, a description of such amendment or waiver shall be included in the next Annual Report, and in each case shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

(c) To the extent any of the items set forth in subsections (i) through (vii) above are included in the Audited Financial Statements referred to in subsection (viii) above, they do not have to be separately set forth (unless Audited Financial Statements are being delivered more than 180 days after the close of the Issuer's Fiscal Year pursuant to Section 3(a) hereof). Any or all of the items listed above may be incorporated by reference from other documents, including limited offering memoranda and official statements of debt issues of the Issuer or related public entities, which have been submitted to the MSRB or the SEC. If the document incorporated by reference is a final limited offering memorandum or official statement, it must be available from the MSRB. The Issuer shall clearly identify each such other document so incorporated by reference.

(d) The Issuer agrees to supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The Issuer acknowledges and agrees that the information to be collected and disseminated by the Dissemination Agent will be provided by the Issuer, Obligated Persons and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the Issuer, an Obligated Person or others as thereafter disseminated by the Dissemination Agent.

(e) Any Annual Financial Information containing modified operating data or financial information is required to explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

(f) The Developer agrees to assist the Issuer and the Dissemination Agent in providing the information necessary to prepare the Annual Report and the applicable Quarterly Reports described below. If the Developer transfers the lands within the District to an entity which will in turn own or have the option to acquire lands within the District, which lands are

responsible for the payment of at least 20% of the Assessments, the Developer agrees to assign and retain, if applicable, their respective obligations set forth herein to their successor in interest.

5. **Quarterly Reports.**

(a) The Dissemination Agent shall, no later than (10) days prior to the end of each calendar quarter commencing with the calendar quarter ending June 30, 2023, provide a written request to the Developer to provide the corresponding Quarterly Report and, upon receipt of such request, the Developer, so long as it is an Obligated Person, shall provide such Quarterly Report no later than thirty (30) days after the end of each calendar quarter to the Dissemination Agent and to any Bondholders that request a Quarterly Report. Notwithstanding the foregoing, the Developer, so long as it is an Obligated Person, shall prepare the Quarterly Report for the calendar quarter ending December 31 of each year no later than thirty (30) days after the end of such calendar quarter and provide such Quarterly Report to the Dissemination Agent, regardless of whether or not the Developer receives a written request from the Dissemination Agent pursuant to the preceding sentence for such Quarterly Report. The Dissemination Agent shall provide all such Quarterly Reports to each Repository promptly upon receipt but in no event later than the corresponding Quarterly Filing Date. Notwithstanding the foregoing, if and for so long as the Developer is a reporting company, such thirty (30) days shall be extended to the date of filing of the Developer's 10K or 10Q, as applicable, if later, as the case may be. At such time as the Developer (or their successors or assigns) is no longer an Obligated Person, the Developer (or their successors or assigns) will no longer be obligated to prepare the Quarterly Reports as it relates to the District.

(b) Each Quarterly Report shall contain an update of the following information for each Obligated Person to the extent available:

(i) The number and type of units in Phase One subject to the Assessments (cumulative).

(ii) The number and type of units in Phase One owned by the Obligated Person.

The Transferor Obligated Person shall notify the District and the Dissemination Agent in writing of any Transfer within five (5) Business Days of the occurrence thereof. Nothing herein shall be construed to relieve the Developer from its obligations hereunder except to the extent a written Assignment from a Transferee is obtained and delivered to the Dissemination Agent and then only to the extent of such Assignment.

(d) If the Dissemination Agent has not received a Quarterly Report from each Obligated Person that contains, at a minimum, the information in Section 5(b) of this Disclosure Agreement by 12:00 noon on the first (1st) Business Day following each Quarterly Filing Date, a Listed Event described in Section 6(a)(xvii) shall have occurred and the District and each Obligated Person hereby direct the Dissemination Agent to send a notice to the Repository in substantially the form attached as Exhibit A, with a copy to the District. (b) The Issuer shall give, or cause to be given, notice of the occurrence of any of the above subsection (a) Listed Events to the Dissemination Agent in writing in sufficient time in order to allow the Dissemination Agent to file notice of the occurrence of such Listed Event in a timely manner not in excess of ten (10) Business Days after its occurrence, with the exception of the Listed Event described in Section 6(a)(xvii), which notice will be given in a timely manner. 7. **Termination of Disclosure Agreement.** This Disclosure Agreement shall terminate with respect to the Bonds upon the defeasance, prior redemption or payment in full of all of the Bonds.

8. **Prior Undertakings.** The Developer hereby represents and warrants that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has instituted internal processes to provide information hereunder to the Dissemination Agent on a timely basis.

9. **Dissemination Agent.** Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the Issuer or the Dissemination Agent, the Issuer agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. If at any time there is not any other designated Dissemination Agent, the District shall be deemed to be the Dissemination Agent. Notwithstanding any replacement or

appointment of a successor, the Issuer shall remain liable until payment in full for any and all sums owed and payable to the Dissemination Agent hereunder. The initial Dissemination Agent shall be Wrathell, Hunt and Associates, LLC, Boca Raton, Florida. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Wrathell, Hunt and Associates, LLC. 10. **Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Agreement, the Issuer, the Developer and the Dissemination Agent may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, acceptable to the Issuer, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Notwithstanding the above provisions of this Section 10, no amendment to the provisions of Section 5(b) hereof may be made without the consent of each Obligated Person, if any.

11. **Additional Information.** Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

12. **Default.** In the event of a failure of the Issuer, the Disclosure Representative, any Obligated Person or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee shall, at the request of any Participating Underwriter or the Beneficial Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, or any Beneficial Owner of a Bond may take

such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer, the Disclosure Representative, any Obligated Person or a Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement by any Obligated Person, the Disclosure Representative or Dissemination Agent shall not be deemed a default by the Issuer hereunder and no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

13. **Duties of Dissemination Agent.** The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement among the District, the Developer and such Dissemination Agent. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. The District, each Obligated Person and the Disclosure Representative covenant that they will supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The District, the Developer and the Disclosure Representative acknowledge and agree that the information to be collected and disseminated by the Dissemination Agent will be provided by the District, Obligated Person(s), the Disclosure Representative and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the District, any Obligated Person or the Disclosure Representative as thereafter disseminated by the Dissemination Agent. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA compliant format and shall include the applicable CUSIP number(s) for the Bonds set forth in Exhibit A hereto, to which any such filing relates.

14. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Developer, the Dissemination Agent, the Trustee, the Participating Underwriter and the Owners of the Bonds (the Participating Underwriter and Owners of the Bonds being hereby deemed express third party beneficiaries of this Disclosure Agreement), and shall create no rights in any other person or entity.

15. **Tax Roll and Budget.** Upon the request of the Dissemination Agent, the Trustee or any Bondholder, the Issuer, through its District Manager, if applicable, agrees to provide such party with a certified copy of its most recent tax roll provided to the Lee County Tax Collector and the Issuer's most recent adopted budget.

16. **Governing Law.** The laws of the State of Florida and Federal law shall govern this Disclosure Agreement and venue shall be any state or federal court having jurisdiction in Lee County, Florida.

17. **Counterparts.** This Disclosure Agreement may be executed in several counterparts and by PDF signature and all of which shall constitute but one and the same instrument.

18. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports in the possession of or readily available to the Trustee which the Dissemination Agent requests in writing.

19. **Binding Effect.** This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to any entity comprising the Developer or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successor or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds and shall also be authorized to authenticate the Bonds.

SECTION 2.02. Execution. The Bonds shall be executed by the manual or facsimile signature of the Chairperson or Vice Chairperson of the Issuer, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

SECTION 2.03. Authentication. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created.

SECTION 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the "Bond Register" or "Register") in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. The Bond Registrar shall initially be kept at the Trustee's corporate trust office in Fort Lauderdale, Florida.

SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so

mutilated, but only upon surrender to the Trustee of such mutilated Bond for cancellation, and the Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar or the Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

SECTION 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03

and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer

authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York (“DTC”) and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“DTC Participants”) and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (“Indirect Participants”). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds (“Beneficial Owners”).

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through DTC Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed

to be a reference to its respective successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the designated corporate trust office of the Trustee.

(3) a Consulting Engineer's certificate addressed to the Issuer and the Trustee setting forth the estimated cost of the Project, and in the case of an acquisition by the Issuer of all or a portion of the Project that has been completed, stating, in the signer's opinion, (a) that the portion of the Project improvements to be acquired from the proceeds of such Bonds have been completed in accordance with the plans and specifications therefor; (b) the Project improvements are constructed in a sound workmanlike manner and in accordance with industry standards; (c) the purchase price to be paid by the Issuer for the Project improvements is no more than the lesser of (i) the fair market value of such improvements and (ii) the actual Cost of construction of such improvements; and (d) the plans and specifications for the Project improvements have been approved by all Regulatory Bodies required to approve them (specifying such Regulatory Bodies) or such approval can reasonably be expected to be obtained; provided, however, that in lieu of the information required in clause (a), there may be delivered to the Trustee satisfactory evidence of the acceptance of operational and maintenance responsibility of each component of the Project by one or more governmental entities (the foregoing shall not be applicable in the case of the issuance of a refunding Series of Bonds); the Consulting Engineer's certificate may incorporate its engineering report by reference to satisfy all or some of the above requirements;

(4) a copy of the Supplemental Indenture for such Bonds, certified by the Secretary or Assistant Secretary of the Issuer as being a true and correct copy thereof;

(13) in the case of the issuance of a refunding Series of Bonds, a written opinion of Bond Counsel to the effect that the issuance of such Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Bonds issued pursuant to the Indenture (to the extent that upon original issuance thereof such Bonds were issued as Bonds the interest on which is excludable from gross income for federal income tax purposes); and

(14) such other documents, certifications and opinions as shall be required by the Supplemental Indenture, by the Participating Underwriter or the initial purchaser of a Series of Bonds or by the Issuer or the Trustee upon advice of counsel.

At the option of the Issuer, any or all of the matters required to be stated in the Certified Resolution described in (1) above may instead be stated in a Supplemental Indenture, duly approved by a Certified Resolution of the Issuer. Execution of a Series of the Bonds by the Issuer shall be conclusive evidence of satisfaction of the conditions precedent, set forth in this Article, as to the Issuer, the Participating Underwriter and the initial purchaser.

Notwithstanding the requirement of this Section 3.01, if the Issuer shall issue short-term notes, the Supplemental Indenture pursuant to which such short-term notes are issued will specify what requirements of this Section 3.01 shall be applicable.

[END OF ARTICLE III]

ARTICLE IV ACQUISITION OF PROJECT

SECTION 4.01. Project to Conform to Plans and Specifications; Changes. The Issuer will proceed to complete any Project or portion thereof for which any Series of Bonds is being issued in accordance with the plans and specifications therefor, as such plans and specifications may be amended from time to time, and subject to the specific requirements of the Supplemental Indenture for such Series of Bonds.

SECTION 4.02. Compliance Requirements. The Issuer will comply with all present and future laws, acts, rules, regulations, orders and requirements lawfully made and applicable in fact to any acquisition or construction hereby undertaken and shall obtain all necessary approvals under federal, state and local laws, acts, rules and regulations necessary for the acquisition, completion and operation of any Project or portion thereof for which any Series of Bonds is being issued and shall complete any Project or portion thereof in conformity with such approvals, laws, rules and regulations. Prior to the completion of the Project, in the event that the Developer shall fail to pay, when due, any Special Assessments levied against lands within the District owned by the Developer or any affiliated entity, the Issuer shall immediately take all actions within its control and, to the extent it has legally available funds for such purpose, immediately take all actions within its power necessary to complete, or cause to be completed, the Project including taking control of the Project Documents.

[END OF ARTICLE IV]

ARTICLE V ACQUISITION AND CONSTRUCTION FUND

SECTION 5.01. Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of the Project including, but not limited to, a costs of issuance subaccount. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid costs of issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) *Deposits*. In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) subject to the provisions of Section 9.24 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) subject to the provisions of Section 9.14 hereof, the balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) deposits made by the Developer pursuant to the terms and provisions of a Developer Funding Agreement; and

(iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series

of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) *Disbursements.* Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to authorize disbursement of funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

[END OF ARTICLE V]

ARTICLE VI
SPECIAL ASSESSMENTS;
APPLICATION THEREOF TO FUNDS AND ACCOUNTS

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of

Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated

in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures, if applicable, remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for

each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to

the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund or to the applicable Series Account or subaccount of the Acquisition and Construction Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08(b) and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on

which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed by the Issuer, cause a notice to be published in an

Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11. Rebate Fund The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer, the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with any applicable provisions in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation of the Issuer to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII

SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for the Investment Securities of the type described in clause (c) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraphs (a), (c), (e), (f), or (j) of the definition of Investment Securities. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so

received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the Issuer for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

SECTION 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to Section 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund payments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased and cancelled pursuant to Section 6.04 hereof.

Upon any redemption or purchase of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;

(d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

In connection with an optional redemption where a conditional notice was given, if the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption

upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied by a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations.

[END OF ARTICLE VIII]

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence or during the continuance of an Event of Default and the Majority Holders of a Series of Bonds are providing direction as to the method of collection, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders of the applicable Series of Bonds directs the Issuer otherwise upon an Event of Default. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its

own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holders of the related Series of Bonds, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings. Nothing herein shall obligate the Issuer to credit bid at any foreclosure sale. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. The Issuer shall provide to the dissemination agent under the applicable Continuing Disclosure Agreement a list of all properties where the Special Assessments relating to the Series of Bonds subject to the applicable Continuing Disclosure Agreement which are being billed directly, and have not been paid within sixty (60) days of the due date of such Special Assessments and the current status of any foreclosure actions currently in progress and the current status of the delinquent Special Assessments. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders.

SECTION 9.05. [RESERVED].

SECTION 9.06. [RESERVED].

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such audit shall, as soon as practicable after such audit, become available and shall, upon written request, be mailed to any Registered Owner.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after the Project has been completed within the meaning of Section 5.01(c) hereof and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances

described in the assessment resolutions in connection with prepayments derived from application of the “True-Up” mechanism therein, require the Issuer, upon receipt of the prepayment by the Trustee, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall within five (5) Business Days pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the

case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 hereof, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments

or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an Account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. To the extent a Supplemental Indenture provides for extraordinary mandatory redemption in the event the Issuer receives insurance proceeds or condemnation awards, the Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited

directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

SECTION 9.18. Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when

such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report. The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

SECTION 9.22. Audit Reports. The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Issuer Records. The Issuer shall keep accurate records and books of account with respect to a Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.24 hereof.

SECTION 9.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any

such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

SECTION 9.25. Enforcement of Ancillary Agreements. The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee, upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer.

SECTION 9.26. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.28. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues, except in the ordinary course of business.

SECTION 9.29. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is

intended to be excluded from gross income for federal income tax purposes (“Tax-Exempt Bonds”) which would cause such Bonds to be “arbitrage bonds” as that term is defined in Section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, “Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

SECTION 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule. For purposes of this Section 9.34, (a) each Series of Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the “Affected Bonds” and (b) the Special Assessments levied against any Insolvent Taxpayer’s property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the “Affected Special Assessments”.

The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency,

reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee’s enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence

of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an “Event of Default” under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if any time the amount in any Debt Service Reserve Account is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of a Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the “maintenance special assessments” levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (e) above has occurred.

SECTION 10.03. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Bonds of such Series of Bonds agree to such redemption.

SECTION 10.04. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.05. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.06. Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law and the applicable provisions of the Indenture.

SECTION 10.07. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Outstanding Bonds of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.08. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.09. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.10. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.11. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.12. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

SECTION 10.13. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.14. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI

THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto and the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct hereunder.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall each month, along with its monthly trust statements, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that,

except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, verifiable electronic communication, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent,

Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders in aggregate principal amount of all Bonds then Outstanding may appoint a successor Trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the

Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

SECTION 11.16. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation, entity or other purchaser resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation, entity or other purchaser which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or other purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation, entity or other purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.23 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor.

Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. On the redemption date, the Bonds called for redemption will be payable at the designated corporate trust office of

the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute

owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2023 Bonds in the form of fully registered Series 2023 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2023 Bonds may be exchanged for an equal aggregate principal amount of Series 2023 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

Six months after the issuance of the Series 2023 Bonds, any moneys remaining in the Series 2023 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2023 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2023 Bonds shall be paid from excess Series 2023 Pledged Revenues on deposit in the Series 2023 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2023 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2023 Revenue Account.”

Series 2023 Special Assessments (except for Prepayments of Series 2023 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2023 Sinking Fund Account.” Moneys shall be deposited into the Series 2023 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2023 Reserve Account.” Proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Acquisition and Construction Account and after the Completion Date to the Series 2023 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner within the Phase One Assessment Area within the District, or as a result of a mandatory true-up payment, the Issuer shall cause the District Manager, on behalf of the Issuer to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2023 Reserve Account shall be transferred by the Trustee to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account and pay such amount deposited in the Series 2023 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2023 Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2023 Reserve Requirement, the Trustee shall without further direction reduce the Series 2023 Reserve Requirement to ten percent (10%) upon satisfaction of Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2023 Bonds as calculated by the District Manager. The excess amount in the Series 2023 Reserve Account as a result of satisfaction of the Release Conditions shall be transferred to the Series 2023 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of the First Supplemental Indenture, the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2023 Bond Redemption Account” and within such Account, a “Series 2023 General Redemption Subaccount,” a “Series 2023 Optional Redemption Subaccount,” and a “Series 2023 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2023 Bonds, moneys to be deposited into the Series 2023 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2023 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account (including all earnings on investments held in such Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2023 Bonds equal to the amount of money transferred to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2023 Rebate Fund designated as the “Series 2023 Rebate Fund.” Moneys shall be deposited into the Series 2023 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2023 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2023 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2023 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20XX, to the Series 2023 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is a principal payment date for any Series 2023 Bonds, to the Series 2023 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2023 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2023 Revenue Account to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2023 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2023 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2023 Bonds, to execute and deliver the Indenture and to pledge the Series 2023 Pledged Revenues for the benefit of the Series 2023 Bonds to the extent set forth herein. The Series 2023 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2023 Bonds, except as otherwise permitted under the Master Indenture. The Series 2023 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2023 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2023 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2023 Bonds, the Issuer will promptly proceed to construct or acquire the 2023 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2023 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2023 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2023 Debt Service Reserve Account will exceed the Reserve Requirement for the Series 2023 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Series 2023 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2023 Debt Service Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account as a credit against the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Debt Service Reserve Account to equal or exceed the then Reserve Requirement for the Series 2023 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2023 Bonds, there will be sufficient Series 2023 Pledged Revenues to pay the principal and interest, when due, on all Series 2023 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2023 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2023 Special Assessment has been paid in whole or in part and that such Series 2023 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2023 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2023 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2023 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2023 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2023 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee

shall not be authorized to withdraw any moneys from the Series 2023 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2023 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2023 Special Assessments relating to the acquisition and construction of the 2023 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2023 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2023 Special Assessments, and to levy the Series 2023 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2023 Bonds when due. All Series 2023 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2023 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders.

SECTION 5.05. Acknowledgement Regarding Series 2023 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2023 Bonds are payable solely from the Series 2023 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2023 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, (i) the Series 2023 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2023 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2023 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2023 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on an Interest Payment Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account (taking into account the credit from the Series 2023 Reserve Account pursuant to Section 4.05 of the First Supplemental Indenture) following the Prepayment in whole or in part of Series 2023 Special Assessments on any assessable property within the Phase One Assessment Area within the District in accordance with the provisions of Section 4.05 of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2023 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2023 Rebate Fund, the Series 2023 Costs of Issuance Account and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account not otherwise reserved to complete the 2023 Project (including any amounts transferred from the Series 2023 Reserve Account) all of which have been transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof

is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment

of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.
